to their Go Fund Me

The Dillon Quirke Foundation was set up in honour of Dillon who collapsed during a hurling match and died of SADS on the 5th of August 2022 in Semple Stadium Thurles.

Sudden Adult Death Syndrome (SADS) takes 100 young lives in Ireland every year. With your help, their aim is to raise awareness and save lives by screening every GAA player both male and female from the age of 12 upwards.
